THE CHURCH TOGETHER VISION

To see the Christian Churches of Southern Tasmania come together under the Name above all names – Jesus Christ; celebrating our hope and bright future in Him, through worship, praying for our city and the presenting of the unchanging and ever relevant Gospel of Jesus Christ.

Now, more than ever before, the community needs to see and be able to connect with the love, hope and grace of the Gospel of Jesus Christ shown through God's people – His Church.

“Christ rules the Church. The Church, you see, is not peripheral to the world; the world is peripheral to the Church. The Church is Christ's body, in which He speaks and acts, by which He fills everything with His presence.” Eph 1:23 (Message)

This year we are excited to announce our guest speaker, Ps Darlene Zschech

Darlene Zschech is a highly acclaimed worship leader, composer, author and speaker who has pioneered contemporary worship music over the last 25 years.

In 1997 her most famous song 'Shout to the Lord', which is still sung by millions every Sunday, was nominated for Album of the Year at the 1997 Dove Awards and Song of the Year at the 1998 Dove Awards. In 2000, Darlene received the International Award for influence in praise and worship along with a Dove Award nomination for Songwriter of the Year.

At the foundation of her success, is a heart to see other worshippers, worship pastors, leaders, teams and writers raised up. To this end, she has penned four books, which have been translated into over 20 different languages. And alongside her husband, Mark, she founded Hope: Global in 2006 to offer practical solutions to countries devastated by war, genocide and poverty.

In 2011 Darlene and Mark became the Senior Pastors at HopeUC on the Central Coast of New South Wales and while they still speak and minister extensively all over the world, they love spending time with their family and building the local church.

As we continue to stand in unity as the Church we TOGETHER make a strong declaration of a brighter hope and future for our community.

The Church Together Festival and Exhibition area provides a platform for raising awareness within the community of what the church in action looks like.

Through the Festival and Exhibition our community will have opportunity to connect with churches and Christian based welfare organisations, both locally and globally, which through their high quality service and passion bring hope and future to communities, transforming one life at a time.

With live entertainment, free activities for the children, food and much more, there will be something for the whole community.

BECOME A FESTIVAL EXHIBITOR

There is great power in the expression of our common unity through diversity. Our hope and goal through the Church Together Festival is to showcase to the community what the Christian faith in action looks like.

We desire to shift people's perceptions of the role of Christianity and the Church and its relevance in today's culture.

We desire to express a holistic picture - demonstrating how we work together with a common purpose - to bring hope, peace love and justice to our world.

Local Christian based organisations: Representatives from Christian organisations operating within the local community will have a platform through the Festival Exhibit area to showcase the different services and support they are able to provide. The community will have the opportunity to be resourced and partner with these organisations. Some of the areas we are seeking to cover are anxiety, depression; homelessness; addictions and domestic violence.

Global Christian-based organisations: Representatives from Christian organisations operating within the global community will have a platform through the festival to showcase how they support the vulnerable in our society and passionately tackle injustice in our world as they bring aid to communities affected by poverty and war. The community will have the opportunity to be resourced and partner with these organisations as they share details of their life-saving and life-changing projects.

Through becoming a Festival Exhibitor, you are aligning with the Church Together Festival objectives:

- Raise awareness in the community about the nature and love of God
- Celebrate the greatest love story of all - God's unfailing love for humanity.
- Positively move people's perceptions of the role of Christianity and the Church's relevance in today's culture, through providing a safe public space in which the community has opportunity to raise questions and discuss issues concerning God, the Christian faith and the Church.
- To showcase Christian-based welfare organisations (both locally and globally), which bring hope and future to communities, transforming one life at a time.

Our team will work with your organization prior to the festival to ensure you have all you need to for your Expo area at the festival.
